

Biography

# Drew Fesler

SEABURY OCI Advisors, LLC

## Consultant

**PROFILE** Drew is a consultant in the Seabury OCI Compensation practice specializing in mergers and acquisitions support services. Drew's background is focused on creating opportunities and overcoming barriers for accelerated growth.

Drew's recent engagements include supporting merger, acquisition, restructuring, or expansion efforts through due diligence, integration planning, and transition execution. Additionally, he has completed human capital measurement, scorecarding, and benchmarking projects. Drew's clients include companies in the following sectors: semi-conductors, transportation, hospitality, gaming, rental and leasing services, and non-profit.

**PREVIOUS EXPERIENCE** Drew has over 12 years of experience and has worked with a variety of clients, ranging in size from venture-backed start-ups to Fortune 100 organizations - both domestically and internationally.

Prior to Seabury OCI, Drew worked both independently and as a Consultant at F2 Intelligence Group where he worked with Private Equity firms and was responsible for all aspects of the due diligence engagement including: research; performing analysis; and preparing final executive summary recommendations. Building on prior experience working with GE and EDS, Drew has expertise in marketing and operations strategy, and leadership development.
